

TENURE-TRACK POSITION AT DEPARTAMENTO DE MATEMÁTICA, PONTIFICIA
UNIVERSIDAD CATÓLICA DE CHILE

The Department of Mathematics of the Pontificia Universidad Católica de Chile (<http://www.mat.uc.cl/>) is calling for applications for Assistant Professor positions (tenure track) beginning in either March or August 2020.

Assistant professors in our university have a teaching load of three courses per year, reduced to two courses during the first two years. Appointees are expected to teach in Spanish after one year. The starting annual salary is around \$30.000.000 Chilean pesos (approximately 42,000 USD), negotiable according to previous experience.

In addition, appointees will be eligible for a starting grant of a total amount of \$8,000,000 Chilean pesos, to be spent over a period of two years in research activities such as traveling, participation in conferences, academic visits, and students.

The minimum requirement for applicants is a Ph.D. or equivalent degree in mathematics. It also is expected an excellent research record and a strong commitment to teaching and research. Females and minorities are especially encouraged to apply.

Excellent applications at the level of Associate Professor (Tenure) may be considered.

The regular review process of applications will start on December 1, 2019. The deadline for applications is November 30, 2019.

Applications should be submitted electronically through
<https://www.mathjobs.org/>
